31<sup>st</sup> October 2018

I am writing to inform you that Dr Jo Sewell will be leaving Phoenix Tetbury on 16th November. Dr Sewell has relocated her young family to the North Cotswolds and she has been able to secure a GP role closer to her new home. We will all miss her very much and wish her every happiness for her future.

The Practice very much regret further disruption to the continuity of care that we aspire to provide for all our patients. It is a very difficult time for GP recruitment and retention nationally, and we are working hard to provide a stable practice team for our patients. For the immediate short term we have secured locum GP's and the partners are working on long term plans to ensure stability for our patients.

Thank you in advance for your patience and understanding during this period.

Your sincerely

Emma Vynne  
Phoenix Tetbury Practice Manager
