- Superb service from all staff at Phoenix surgery. Drs, Nurses and support staff. Would highly recommend
- I would like to thank the surgery for all their support over my son's illness over the last weekend. It was a worrying time for us all and both Alison and Dr Sethi were very supportive and reassuring. The surgery have been fantastic at ensuring my diabetic treatment/medication has been provided. I just can't thank you all enough for such fantastic service. We always are greeted with happy/cheerful receptionists who nothing is too much trouble. It is times like these when you recognise good and caring humans. We are very lucky to have such a fantastic Doctor and surgery to support us
